

Rollin' 253 Sale/Business Opportunity Frequently Asked Questions

1. Why are you selling the rink?

Bodine Enterprises is a local property management company and our industry is booming. The owners are shifting focus back to property management, but still want to give someone an opportunity to buy the rink and continue the tradition of excellence in local family entertainment.

2. Can I come skate as usual while the rink is for sale?

Yes! Our sessions aren't changing, and we are operating as usual! We hope you'll come skate with us!

3. I just booked a party/private event with you, but I heard you are for sale. Can I still host my event?

We are not canceling any events while the rink is for sale, but we understand if you want or need to look elsewhere for a venue. At this time, we aren't scheduling any new events after April 1st.

4. I'd like to book a party with you. Are you accepting reservations?

We want to allow the future new buyer to decide how many events they want to book, public session schedules, and their own pricing, so we aren't scheduling any new events after April 1st.

5. Can I get a refund on the party/event I planned?

Yes! Until now, booked parties were not refundable but could be rescheduled. We'll allow any booked party to be refunded as long as the refund is requested at least 10 days before the event is scheduled. Parties, as always, may be rescheduled up to 5 days prior to the scheduled event date.

6. Can I still register my child for Summer Camp?

It's still too early in the year for us to open our Summer Camp registration. We want to give the new owner(s) the opportunity to craft their own plans for summer business, including any potential camps, but we will offer our policies and procedures if they want to build on what we have already grown.

7. I'm interested in purchasing Rollin' 253. Who should I contact?

Thanks for your interest in the Rollin' 253 business opportunity! For more information about the sale, please contact Josh at 253.572.9383 or josh@bodineenterprises.com.

8. I'm from the media and I'd like to speak with someone about the sale.
